NAAC 'A' GRADE Accreditation

Welcome to JBIT, a NAAC Accredited institution where excellence in education meets unparalleled opportunities! Our esteemed accreditation is a testament to our commitment to providing a world-class education that meets national standards of excellence as prescribed by the Ministry of Education, Government of India. We offer a robust academic framework, state-of-the-art facilities, and a vibrant campus life that fosters holistic development. Join us and become a part of an institution that not only values academic rigor and innovation but also opens doors to international collaborations and learning by doing innovative opportunities. Discover the path to your future at JBIT, where quality and opportunity converge.

Advantages at JBIT

- Nestled in the serene and pristine Doon Valley, the expansive **30-acre JBIT campus** provides an ideal learning environment.
- Our curriculum emphasizes cutting-edge technologies, innovative thinking, teamwork, and **holistic student development**.
- We offer **industry-aligned and employment-centric** programs in Engineering, Business Management, Pharmacy, and Agriculture.
- **UTU STAR FOR SUSTAINABLE DEVELOPMENT GOALS:** JBIT is the first educational institute of the entire state of the Uttarakhand that has received UTU Star Award for two consecutive years with a latest notable record of First Rank.
- **Our Anti-Ragging Squad**, comprising senior faculty members, ensures a safe and welcoming campus atmosphere.
- We provide **Soft Skills and Aptitude Training** by corporate experts to enhance students' personal and professional growth.
- **Government-approved intake** quotas in each program guarantee superior quality control and education standards.
- We uphold principles of **transparency, accountability, and integrity** in all our endeavors.
- **Merit-based scholarships** recognize and reward students' academic excellence and potential.
- **Our state-of-the-art infrastructure** features theatre-style lecture halls, smart classrooms, modern laboratories, conference facilities, residential hostels, hygienic dining, a well-equipped gym, and comprehensive sports amenities.
- We maintain robust connections with industry leaders like **CII, ASSOCHAM, Infosys**, and foster academic partnerships with esteemed entities such as **TATA, BOSCH, BMW** & many more..
- Association with **IIT Roorkee** and **IIT Bombay** for MOOC's extensive technical mentorship and support through various programs, fostering innovation, collaboration, and continuous learning among students.
- JBIT boasts dynamic student chapters of **IEEE, CSI, NPTEL**, and **IEI**, fostering a vibrant community where students excel in technical knowledge, innovation, and professional development, preparing them for future challenges.

START YOUR CAREER WITH THE BEST COMPANIES

Over 550+ companies have visited JBIT for placements. With top-tier brands and challenging job profiles on offer, JBITians have a wide array of career opportunities to choose from.

EXCELLENT TEACHING LEARNING PROCESS

Our team of qualified and experienced faculty ensures that every student not only comprehends their subject matter but is also trained to become a lifelong learner.

VALUE ADDED COURSES

These courses are integrated into the curriculum to provide essential skills that enhance employability and equip students for success in life.

START-UP DRIVEN INNOVATIONS

Entrepreneurship through innovative ideas is encouraged. We provide students with a dynamic and agile structure for groundbreaking ideas, scalable business models, and technological innovations that can change the world.

ASSOCIATION WITH IIT-BOMBAY & IIT-ROORKEE

JBIT has partnered with IIT Bombay and IIT Roorkee as an academic partner of spoken tutorial and to establish a Virtual Lab respectively, providing students with access to advanced simulation-based experiments and enhancing their practical learning experience in various engineering disciplines.

INTERNATIONAL COLLABORATIONS

ICXnet Corporation, Japan & NBR NEW IT Systems India, New Zealand have signed an MOU with JBIT Institutions to develop AI-based innovative devices, moving swiftly towards an Industry 4.0 setup.

ERP SYSTEM

Our ERP system is designed to meet unique needs, streamlining administrative processes, enhancing academic management, and fostering effective communication among students, faculty, and staff.

DIGITAL LIBRARY

We offer an extensive collection of online resources, including e-books, e-journals, research papers, multimedia materials, and more. With 24/7 accessibility and advanced search options, we empower students to stay updated with the latest research and advancements.

MENTOR MENTEE SYSTEM

We believe in not only educating our students but also providing emotional support, helping them overcome homesickness, and establishing rapport among teachers, students, and parents. This ensures that we monitor attendance and behavior, identify weak areas, and work on remedies to take complete care of our students

HOSTEL

The institution offers three on-campus boys' hostels with a capacity of over 500 students and one girls' hostel block with a capacity of over 150 students. The hostel mess is equipped with modern appliances and serves nutritious and hygienic vegetarian food. We provide 24-hour security with a CCTV Surveillance System and armed guards at night.
